Calling all Pre-school settings! What would you......

Ask an Alien?

Have fun with question words with our space themed competition!

We are really excited to be launching our Ask an Alien competition with the help of our friends at Black Sheep Press. Just think of a great question you would like to ask an alien and submit your question on one of our lovely question word forms and send it in to us by 20th June 2016.

If we like your question best you could win:

- A visit to your setting from our very own friendly alien!
- A copy of the fantastic new Black Sheep Nursery Narrative pack
- A narrative workshop for your staff to help them support the language skills of the children in your setting
