**Prior education:**

Where have you been to school before?

Which school have you liked best? Why?

**Present school:**

What do you like best at this school?

What don’t you like here?

What subject do you think you are best at?

What can teachers do to help you understand? (e.g. Show/activities/pictures/slow down etc)

What do you do when you don’t understand?

Is there anything else you think would help you to understand in lessons?
**Language use:**
*What languages are used at home?*

*Who uses which language? When? With whom?*

*Do you attend any other social groups? What language is used there?*

*What languages do you use at school? With teachers? With friends?*

**Complete language use map together**

**Friendships:**
*Who are your friends at school?*

*What language do you use with friends?*

*Any concerns about friendships?*

**Any other concerns?**

**What else do you think would help you?**

**Any actions agreed:**
